RE: Termination of the countervailing duty investigation of certain fabricated structural steel from the People's Republic of China (C-570-103)

1. On 03/20/2020, the International Trade Commission (ITC) published in the Federal Register its negative final determination in the countervailing duty investigation of certain fabricated structural steel from the People's Republic of China (C-570-103) (85 FR 16129). The countervailing duty investigation of certain fabricated structural steel from the People's Republic of China has been terminated.

2. CBP should discontinue the suspension of liquidation of entries of merchandise which were entered, or withdrawn from warehouse, for consumption on or after 07/12/2019 (the date of first suspension of liquidation of subject merchandise). Entries should be liquidated without regard to countervailing duties. All estimated countervailing duties deposited on entries of the subject merchandise shall be refunded and bonds or other security released.

3. Notice of the lifting of suspension of liquidation of entries of merchandise entered, or withdrawn from warehouse, for consumption on or after 07/12/2019 (the date of first suspension of liquidation of subject merchandise) occurred with the publication of the ITC's notice of negative final determination of investigation (85 FR 16129, 03/20/2020).

4. The interest provisions of section 778 of the Tariff Act of 1930, as amended, do not apply.
